NUS-ITE(CE) Boxing Exhibition Match
DARYL JOHN BALISALISA AGNE (JO1301A)
PAUL WONG WAI HOE (UF1301Q)

Daryl brought home the win with a Technical Knockout (TKO) at round 2 of the bout. His opponent stumbled a few times before they threw in the towel. Paul lost by decision.
He put on a brave fight against his opponent who was 2 heads taller. It was unfortunate that his left eye started swelling during the first round. Despite this, he pushed on and completed the whole 3 rounds of the bout. The performance yesterday was outstanding and thank you for all the support received.
We will be bringing NUS-ITE(CE) Boxing Exhibition Match to our home ground in 2015. Keep those gloves up! Well done.
